It was a happy ending when a sleeping princess wakes up because of a kiss from the prince
I woke up,
They lived happily ever after.
This story should be like that...
From a prince's kiss.
Tomorrow, On his bed
내일, 그의 침대에서

Tomorrow, on his bed
明日、彼のベッドで。
Ashitakareno
明天、床上見

Good morning.
You have something on you

There was a sequel to the story that began with a kiss between the prince and the princess.

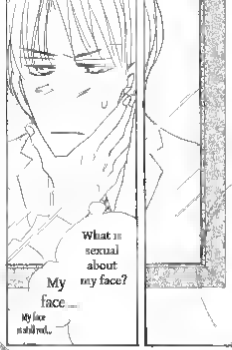
I can't wait anymore
Chi... Chizuka?
My name.
Let me eat you,
Takashi.
Mm...

We can't... do it in a place like this...
We have to go to work now...
Stop...
Stop.
I'm sorry if you expected something to happen,
But I'm not quick enough,
To be able to finish it in a place like this.

I woke up refreshed because of a kiss from the little prince
I have to get back to my work.
Don't come out for awhile
Ah,
Sfx: Blush
Your face is too red.
Chu..
Chizuka!

Have a nice day at work.
Have.
I'll bring back results.
Sfx: Smile
Sfx: Step

I'm happy to be in a relationship like this with Chizuka when before I only looked at him from far away



What is sexual about my face?
My face...
My face satisfied...
He said that "he will bring back results"
He can't say that if he doesn't have the confidence

Sfx: Creak

Sfx: Scratch scratch

Sfx: Blush

But things are going well for you.
It's not that
That's why I don't want to
After I have sex,
I'm not sure what will happen after...
I feel like a middle school student going through my first love but I have the urges of an adult
I might go crazy because I like him so much
it's still open.
When does it close?
No matter what happens, I'll go crazy

The place where Chizuka sits every day
It's empty,
Ah,
What happened? You're here at night
What about you?
Don't you have a morning shift?
You still haven't ordered a drink?
What about hot milk?
With the liqueur that you like
It's on me
Wow
Lucky!

He wears a suit He looks very capable and the way he moves is refreshing
He sits down here at 7 am and closes his eyes for twenty minutes
I watched Chizuka who sat here
Since spring,
It wasn t long before I fell in love
No way.
That profile was,
And look at me
Going to open his eyes,
Here Take this.

I'm not thinking about much.
Whoops
Sleep with him already
It is not like you to worry about these things.
You're sitting down on the sleeping princess seat
What are you thinking about?
What is with that negativity?
You are really timid
You...
I know...
And be abandoned because he's tired of me?
But Kaji,
What if I do it with Chizuka,
I shouldn't be too passionate. What if he loses his interest in me?
I won't be able to stop myself when I have him.
Do you understand why I'm hesitating?
Right?
What?!
He...
He doesn't have much experience with men.

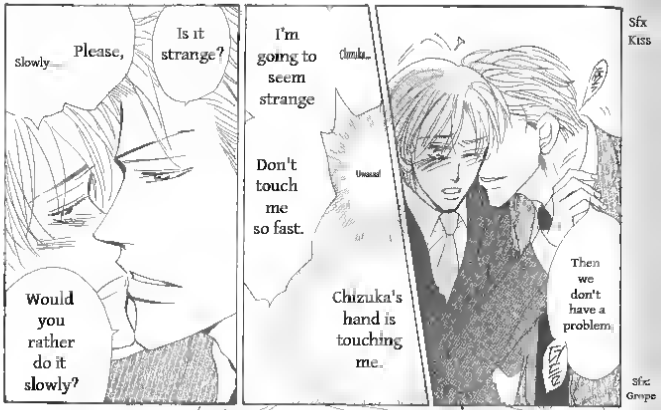
No, you're being too stuffy. Just sleep with him and get rejected!
Kay...
Sfx: Step
You're just ignoring the problem.
And he really seems busy. He can't make any personal time.
So I think it's good now.

Sfx: Get close
Sfx: Get up
Wait? We didn't have plans...
Have you been waiting long?
Chizuka

This is
Let's go,
His eyes are—
Takashi
Chizuka, why so suddenly?
I was walking outside and saw you here
There is nothing more I can do
I can't do it anymore. Now
What... what about your work?
Are you okay?
I can't avoid it.
because this person is

Is your work,
But he thinks that he wants to embrace me
Already finished?
He wants to have me
Yes...
When he looks at me with those eyes,
I can only prepare myself
Wait, Chizuka..
Actually

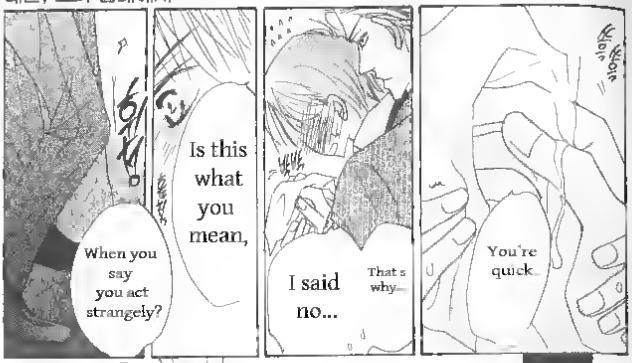
I told you before, right?
I played around quite a bit.
So...
What is it?
Is there a problem?
So?
Did you do drugs? Do you have a sexually transmitted disease?
No I didn't do that
I am...
I'm sorry, it's...



Slowly...
Please,
Is it strange?
Would you rather do it slowly?
I'm going to seem strange
Chizuka...
Don't touch me so fast.
Unusual
Chizuka's hand is touching me.
Sfx: Kiss
Then we don't have a problem.
Sfx: Grope

First,
Show me,
How strange you're going to be
Ah...
Sfx: Grab

Sfx: Grope
Grab
No,
Chizuka...
Soon...
I'm going to come,
You can't touch there.
I'm touching it slowly
Chizuka's hand is touching my thing.
No... no...
Pale
Pale
Ugh...
Shake
When I think about it,
Flinch
I become strange...
Sfx: Flinch flinch



Sfx: Stagger
When you say you act strangely?
Is this what you mean,
Sfx: Flinch
Sfx: Rub rub
I said no...
That's why...
Sfx: Rub rub
You're quick...

That isn't...
A problem.
His breath...
His voice...

There...
Ah,
Yes!
There...
Now,
Ah,
Ah,
It's fantastic...
Uwa...
I think I am going to cry.

Sfx: Cry
Chizuka...
I think I'm going to go
Don't...
Don't stop...
Chizuka
Ah...
Lick
I'm not going to stop.
Sfx: Tear Drop

Who's going to stop?
I think I received,
A kiss from Chizuka,
Which was so strong that it hurt.
I don't remember...
Sfx: Drink
Sfx: Sit down

I don't remember what happened after the middle.
I slept with Chizuka yesterday.
It's bitter!
I liked it.
I liked it.
I liked it
Your eyes are swollen.
Takashi.
Yeah?
Did you cry a lot?
What about breakfast? Have you eaten yet?
Kaji
Hi!
Weren't you taking today off?
What happened?
What about him?
I liked it so much, I cried.

I can't remember well,
I can't hide it from you.
Yeah
After I left here last night...
But I think I cried a lot.
Sigh
...He didn't leave a note...
Maybe he went to work?
When I woke up in the morning, he wasn't there.
Why are you asking me?
What is it?
So? What about your lover?
You cry when you get emotional.
...You mean,
That it was nice?
Friday
WWW.FRIDAYS.NET

He seems really capable.
I heard from him before that there are days that he can't come.
So I thought maybe we could meet here
It doesn t matter if we don't meet each other
He said that he was refreshed,
Did you know?
By coming here every morning and drinking coffee even if he was busy
Isn't it amazing?
They say that it improves your efficiency to start work early in the morning.
Sleeping twenty minutes increases your concentration
So that's why he became the sleeping princess every morning.
If he left a note or a text.
It would've been better,
...Of course,

Or "It was nice".

Or "I'm busy".

Or "I have work".

"Hello" Or "I will come back".

A note that he wrote in a hurry,

Or a short text

Heheh, I really am timid.

Or "I want to embrace you again".

Or "I like you".

I opened my eyes with a kiss from the prince
Sfx: Stand up
I have to go to work, too
I'm going to go early today.
Don't run,
Little prince,
Chizuka.
Are you avoiding me?
I liked it. I liked it a lot
Did I say something weird when I was strange?
Is he tired of me crying like a fool?
Is he annoyed because I spoke like a girl even though I am a guy?

Thing are different from that now, right?
Didn't we both enjoy ourselves?
Chizuka,
Can I wait for you every morning?
I like the men I dried until noon.
Chizuka.
Your call can't be connected because the person...
Can't be reached,
or the phone is turned off-
Get your mind straight.
Ah I'm sorry I'll do it right away
Did you contact Fujishiro?
Nami, hey!
I...m sorry

Can I wait in that shop?

Are you going to smile when we meet?

A hardware store that my grandmother had,

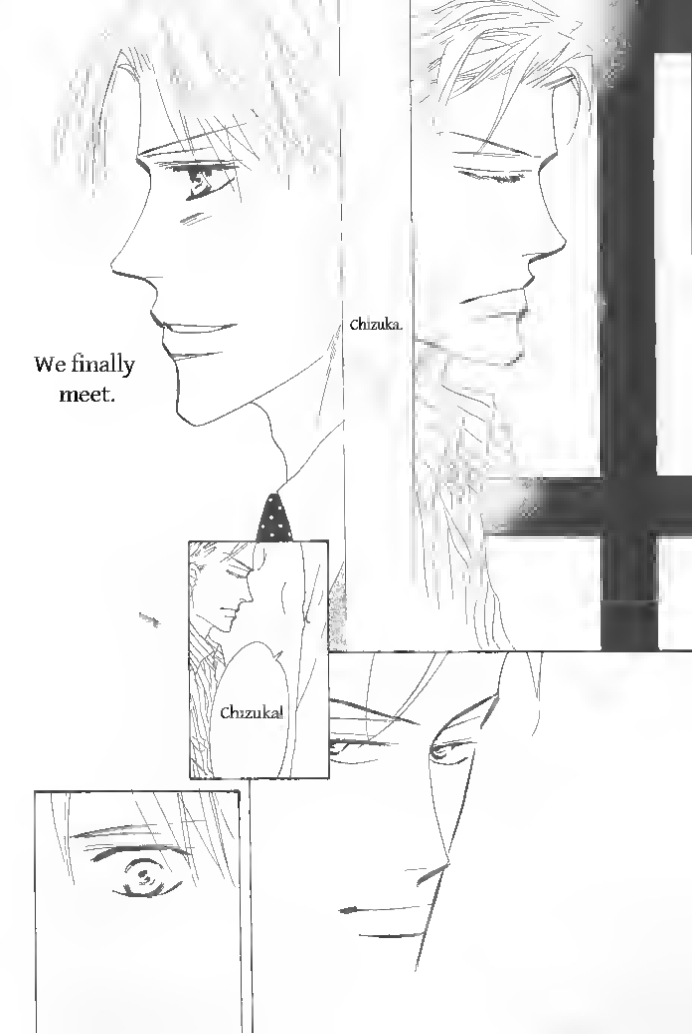
When I was looking after,

I was happy when the customers thanked me

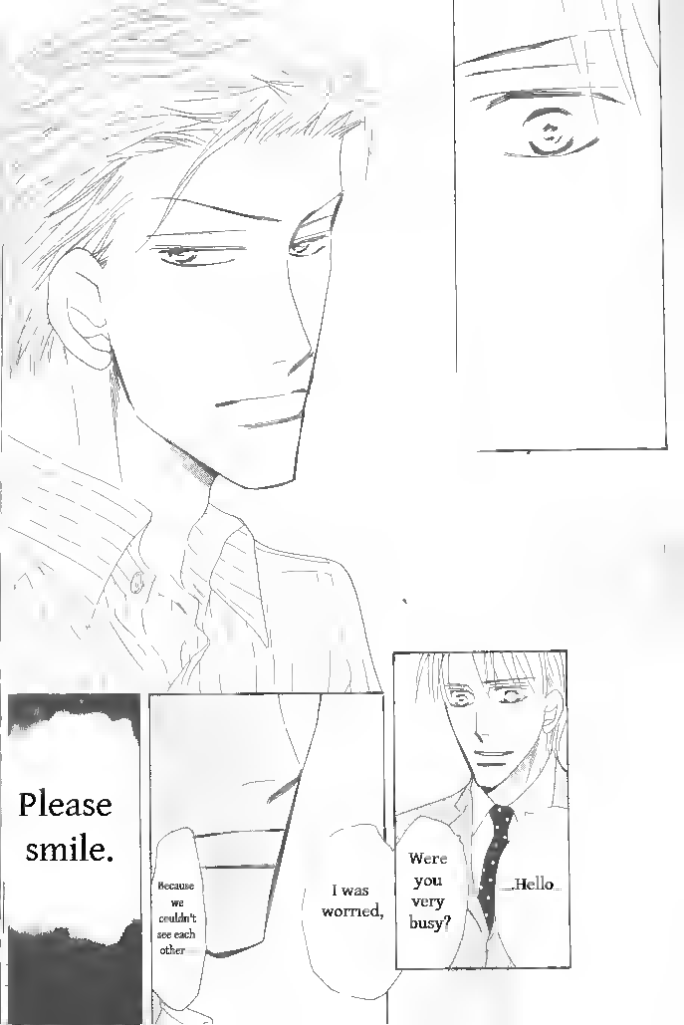
I didn't do it to receive thanks,

But when the person smiled and said thank you, I was really happy

Chizuka.

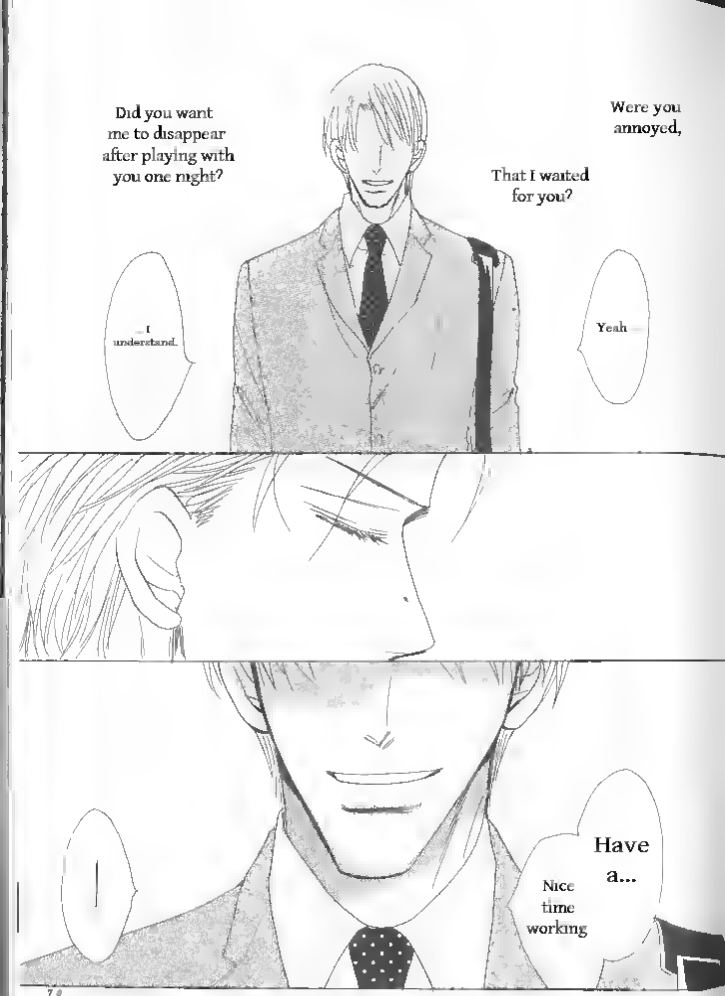


We finally meet.
Chizuka.
Chizuka!



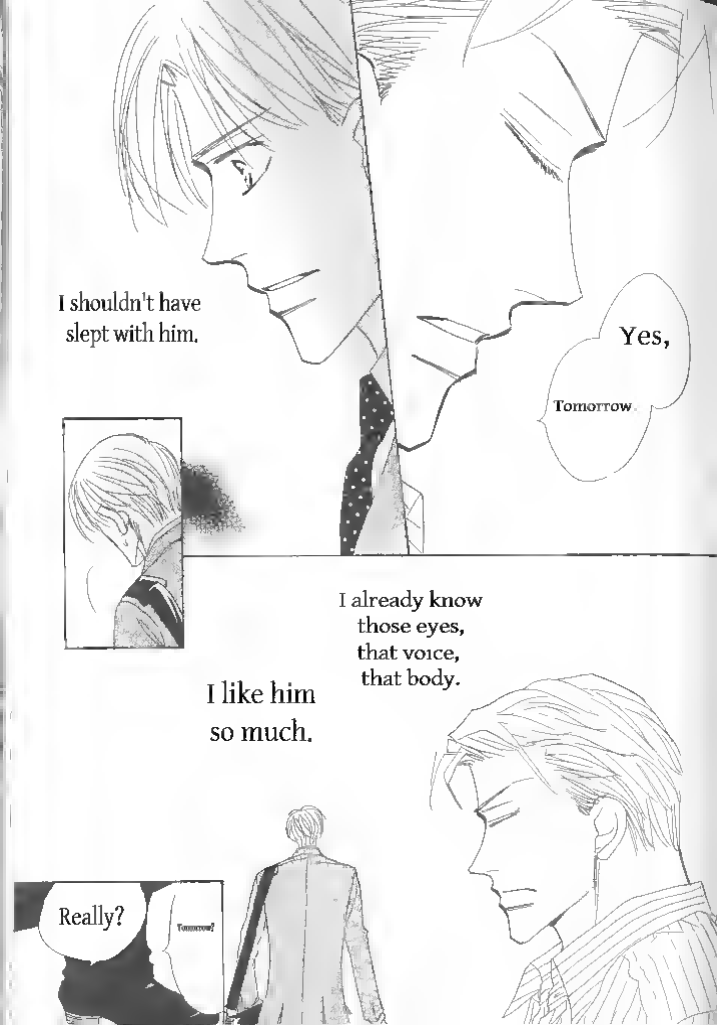
Please smile.
Because we couldn't see each other
I was worried,
Were you very busy?
...Hello...

Please smile, Chizuka
I want to concentrate,
Please let me sleep today.
Sfx Sigh



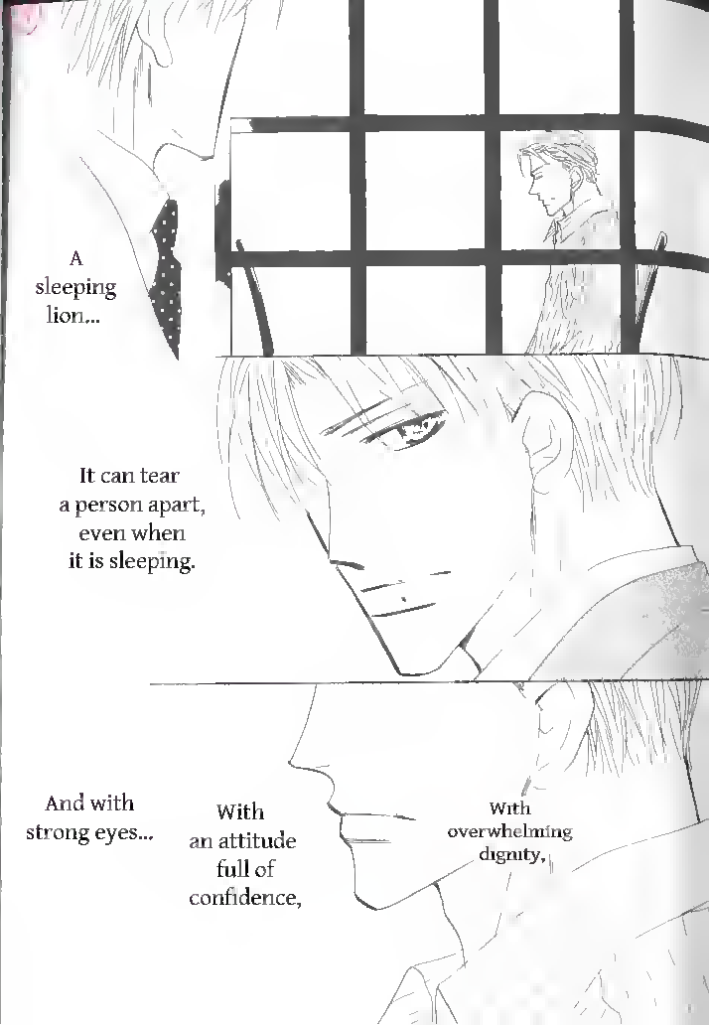
Did you want me to disappear after playing with you one night?
Were you annoyed,
That I waited for you?
...I understand.
Yeah
Have a...
Nice time working

Chizuka must bring good results,
...No,
Even if you don't work hard...
What do you mean I don't work hard?
You get results by doing that.
Isn't it obvious to do your best?
See you tomorrow.
..Then,



I shouldn't have slept with him.
Yes,
Tomorrow.
I already know those eyes, that voice, that body.
I like him so much.
Really?
Tomorrow?

Do your job, waiter.



A sleeping lion...
It can tear a person apart, even when it is sleeping.
And with strong eyes...
With an attitude full of confidence,
With overwhelming dignity,

...He is
tearing
me apart...
